Improved Summer Transit Service to Nearby Shore Resorts.

The Brooklyn Rapid Transit Company is planning an extensive development of its elevated and surface line service between Manhattan Borough and the Shore Resorts from Sea Gate as far east as Rockaway. Having control of all the elevated railway lines, as well as the lines of the Brooklyn Heights and Nassau Electric Railroad Companies, its opportunities for rapid and easy exchange of passenger traffic are unequalled. The various lines of the Brooklyn Rapid Transit Co. are rapidly being fitted for this service, and 175 new modern cars will be added to the equipment. The roadbed on all suburban lines is well-blasted, and the West End Line will be entirely reconstructed, laid with new rail, and equipped with new overhead wire system.

Some of the features of the new and extended service are these:

Through Electric Train service from Park Row, Manhattan, to the West End Depot at Coney Island will be run by way of the Fifth Avenue Elevated and West End Lines.

Through electric train service from Park Row, Manhattan, to Manhattan and Brighton Beaches by way of the Fulton Street elevated and Brighton Beach lines.

Through surface car service to BRIGHTON BEACH from Park Row, Manhattan, via Flatbush Avenue, and from Broadway Ferries, Brooklyn, via Nostrand Avenue and the Brighton Beach lines.

Through Coney Island service to the Culver and Sea Beach Depots from the Broadway, Grand Street, Greenpoint, Fulton Street, Hamilton Avenue and Thirty-ninth Street Ferries and from Park Row, Manhattan, by way of various surface lines, reaching Coney Island over the Culver and Sea Beach Lines.

A Rockaway Beach service will be operated as heretofore by way of the elevated line and Long Island Railroad from Broadway Ferries.

NORTH BEACH, Bowery Bay, will be reached by the Grand St. Line, from Grand St. and Broadway Ferries, and by the Flushing Ave. surface, or Myrtle Ave. Elevated and Fresh Pond Lines from Park Row, Manhattan.

The electric service to Sea Gate, Bath Beach, Bensonhurst and other resorts on the lines of the Brooklyn Rapid Transit Co. will also be much improved and extended.

Descriptive booklet of desirable properties owned by the Brooklyn Rapid Transit Company, not in use by them for railroad purposes, which are offered for sale, can be obtained upon application to the real estate agent.
